

"Changing the world, one child at a time"

Realizing a world where children do not have to starve or worry about staying warm will take more than the actions of any one person. Community is one of the most powerful words in the English language because it requires a collective participation. When everyone resolves themselves to address an issue, nothing but success can result. The DCG Charitable Foundation resolves itself to lead its community to change the world, one child at a time. Partner with us by committing yourself or your company to a monthly contribution for the DCG Charitable Foundation.
